

Service SO FAST your HEAD SPIN will

At Federal Screw Products, we ship satisfaction,
not just products. That means you get what you
need on your schedule, not ours.

LOOK TO US FOR:

- Just-in-time delivery: Increase your inventory turns and improve your cash flow
- EDI ordering: Link your computer with ours to speed the ordering process
- Technical/engineering services: Speed product design, consolidate products for fewer SKUs and custom packaging
- In-house quality control inspection laboratory: Be sure your parts are right the first time
- Custom fabrication: Products made to fit your needs and your specs
- Global product sourcing: Find that difficult part at a globally competitive price
- International logistics: Simplify order tracking and proof of delivery
- Bar-code labeling: Streamline order identification and receiving
- Easy payment: Use your VISA® or MasterCard®
- Inventory management systems, including:
 - Kan Ban
 - Reusable bin program
 - Customer-managed inventory systems (CMI)

Federal Screw Products
offers same-day shipping
on a full range of
production fasteners
and Class C products.
